Chemetall receives award from Toyota South Africa Motors

(BATON ROUGE, La., New Providence, NJ, Frankfurt a.M., Germany) May 4, 2016 – Chemetall South Africa, part of the Chemetall group, a leading global surface treatment supplier and division of Albemarle Corporation, has been recognized by Toyota South Africa Motors (TSAM) for excellence as a supplier. Chemetall SA has received the award in the Material & Facilities (M&F) category during the annual Toyota Supplier of the Year award ceremony. “This is a magnificent and proud achievement for our company and bears testament to the great dedication of our colleagues to one of our key customers in South Africa”, says Paul Venter, Sales Director Chemetall SA and adds “Toyota’s recognition is very important to us and reinforces our commitment to deliver the best possible performances in all areas.”

Over the past 25 years, Chemetall South Africa and Toyota South Africa Motors have established an extensive and excellent business relationship. The surface treatment company supplies pretreatment technologies to both of TSAM's body lines in South Africa, PVC and wax products as well as numerous other chemicals used for general cleaning and maintenance. TSAM is an integral part of the global Toyota organization, and produces approximately 130,000 Corolla and Hilux models for local and export markets.
