Chemetall wins a Supplier Bonus Point award from Broan NuTone

Bramalea, Canada – Chemetall wins a Supplier Bonus Point award from Broan NuTone for implementing the new phosphorous-free Gardobond AP 9811 pretreatment. The safe and effective use of Gardobond AP 9811 resulted in a 50% reduction in water usage at Broan. The dedication of the Chemetall - Broan NuTone transition team resulted in a positive supplier relationship.

Chemetall has been developing, manufacturing, and supplying state-of-the-art specialty chemical products since 1909. The ISO 9001 company offers a wide spectrum of products

ranging from metalworking fluids and drawing & stamping compounds to cleaners, rust preventatives and surface treatment chemistries. Chemetall's integrated products, chemical management systems, process equipment, and technical service programs deliver efficient and cost effective solutions for industrial manufacturing needs.

Chemetall is a world-class specialty chemical company and a global provider of chemical technologies based in Frankfurt/Main, Germany. In addition to the North America headquarters in New Providence, New Jersey, other locations in the Americas include Jackson, Michigan; LaMirada, California; Bramalea, Ontario; Queretaro, Mexico and Jundiai, Sao Paulo Brazil. Chemetall is a division of Rockwood Holdings Inc., a global specialty chemicals and advanced materials company traded on the New York Stock Exchange."
